VALUES:

Caritas Community Focus' values are founded in the Latin word for 'love' which translates to 'caritas'. 1 Corinthians 13:13 states the following: 'And now faith, hope and love remain, these three and the greatest of these is love'. 'Caritas means 'charity' – acts of kindness.

VISION:

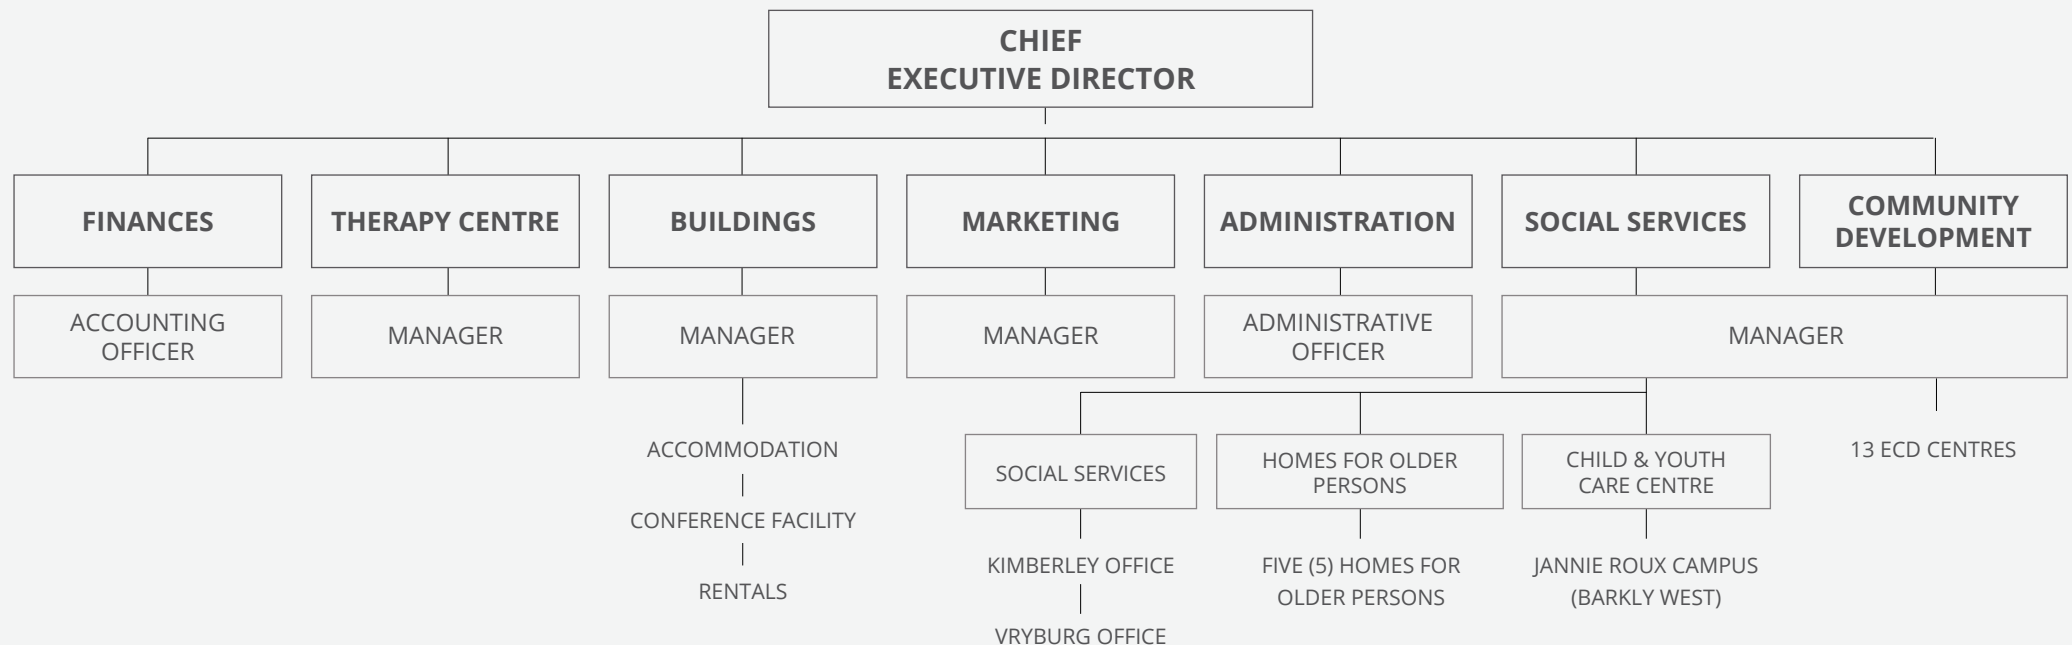

It is the objective of Caritas Community Focus to heal man in his community.

MISSION:

In accordance with Jesus Christ's command, Caritas Community Focus commits itself to the:

- Repair and development of communities
- Empowerment of families
- Protection of and caring for children and older persons
- Healing through specialised therapy

ORGANISATIONAL STRUCTURE

Chairperson: Caritas Community Focus Board

Braam van Tonder

Dear Stakeholder,

I don't know whether the waters were more stormy or less stormy than expected this past year. What I do know is that Caritas continues to provide services to the people of the Northern Cape and part of the North-West Provinces. Their aim is not only to provide services, but to help and give courage to the elderly, derailed grown-ups, and children and thereby laying small building blocks in the future of this beautiful country and its people —after all, this is our calling and task!

The objective of an Annual Report at Caritas is surely not to draw attention to our successes, but we are grateful to share the path on which the Lord is leading is. When you listen to our story, you hear about elderly people living peacefully and safely in a home for the elderly; stories of broken children who were picked up and anchored by love and care that were given. Our story tells of a foundation that has been laid for a new generation of children, preparing them, with love and discipline for the challenges of modern times and their education that awaits!

When you hear Caritas's story, you will note that the focus has shifted to the community and the tremendous challenges out there - highlighting the task that every responsible resident of South Africa has! With conviction we can say that Caritas is ready to fulfill this responsibility in respect of providing guidance and assistance. This rapidly changing times and environment puts new demands on social services.

This year has demanded that attention be given to establishing policies for the difficulties of institutional care. The operations of every office and service point shows that Caritas has great expertise in a wide spectrum of services with staff members working relentlessly towards the services that we deliver in the community. And we thank them for that.

We confess our dependence on our heavenly Father and place the work of Caritas and every staff member and service point and every person benefiting from this, in His hands.

To Him all the glory!

Braam van Tonder

Chief Executive Director: Caritas Community Focus NPC

Keydy O'Callaghan

The year 2022 was a very interesting and challenging year with so much positive stories to be told (the negative stories were not our focus!). Last year I said: "It is like a high-definition movie with so many scenes and actors, but the difference being, we are actively living it" Today I can say: "and didn't we live it!!"

It was a privilege to be part of this movie full of love, care, kindness, support, sharing and giving!

We are privileged to be part of 13 Early Childhood Development Centers in Northern Cape and North West where well qualified personnel and excellent programs are monitored by passionate personnel.

Our Therapy Centre played a huge role in counselling, assessment, support and caring for individuals, families, schools, and communities.

Our Child and Youth Centre in Barkly West is where our children are well cared for, assessed, counselled, and supported.

The Social Work Offices in Vryburg and Kimberley plays a huge role in counselling, assessment, support and caring for individuals, families, and communities.

So many people made use of our beautiful accommodation services during visits to family members who have been admitted to hospital.

We have the privilege to accommodate the !XUN and Khwê! Communities while they are translating the Bible in their own language. What a privilege for Caritas!

We are so proud of our 5 Homes for the Elderly where we ensure that these valuable members of society are well cared for through physical, medical, and mental health programs.

I thank the Lord for blessing us in abundance!

Greetings

Keydy O'Callaghan

REPORTS: CARITAS CHILD AND YOUTH CARE CENTRE

Community Board of Caritas Child and Youth Care Centre:

Mr AGW van Tonder:	Chairperson
Rev K O' Callaghan:	CEO
Ms Y Botes:	Chief Executive Director
Mr BD Vermeulen:	Secretary
Ms E J Koortzen:	Treasurer
Ms A de Klerk:	Member
Ms S Clarke:	Member
Mr J Coetzer:	Member
Mr S van Rooyen:	Member
Ms L Coetzee:	Member

Management team: Child and Youth Care Centre:

Marelize Hurter : Manager: Caritas Child and Youth Care Centre: Jannie Roux.

Our children:

Caritas CYCC Jannie Roux Campus is registered to accommodate 85 children. During 2021/2022, on average, between 82 and 85 children were accommodated.

Number of children admitted 2021 / 2022:

Boys: 13

Girls: 11

These children were mainly admitted as a result of failed foster care placements, poor parenting skills, emotional abuse, disruptive behaviour, sexual abuse and domestic violence.

Number of children placed:

Foster care: 6

Placed in family care: 12

School leavers: 5

Transferred to other Institutions: 6

Staff training and motivation:

Six staff members received first aid training. Two staff members received "she- rep" training while one Social Worker received training on the Amended Children's Act. 10

Care workers received CEFA training on child and youth care work.

Three internal training sessions were held with 12 care workers on sexualised behaviour and dealing with aggressive behaviour in children. 34 staff members received training on the POPI Act.

Community involvement:

Volunteers and donors play an important role in the successful operation of the Child and Youth Care Centre. They deserve special acknowledgment for their selfless service and contributions that bring about a difference in the lives of our children. Without these various on-going projects the Centre would face even bigger financial challenges to meet all it's obligations.

Therapeutic programs and development:

The two social workers employed full-time by the Centre provide comprehensive services which include the following:

- Individual and group therapy, development plans and programs
- Compiling of statutory, progress -, and background reports
- Therapeutic team meetings and multi-disciplinary consultations with parents and social workers
- Therapeutic group work
- Consulting with educators and other professions
- Life skills programs
- Leadership and community integration programs
- Holiday programs that ensure that our children are kept busy constructively and are exposed to the broader community.

Specialised therapeutic and medical services:

- Occupational therapy and play therapy
- Psychological and psychiatric services
- Medical, eye and dental services

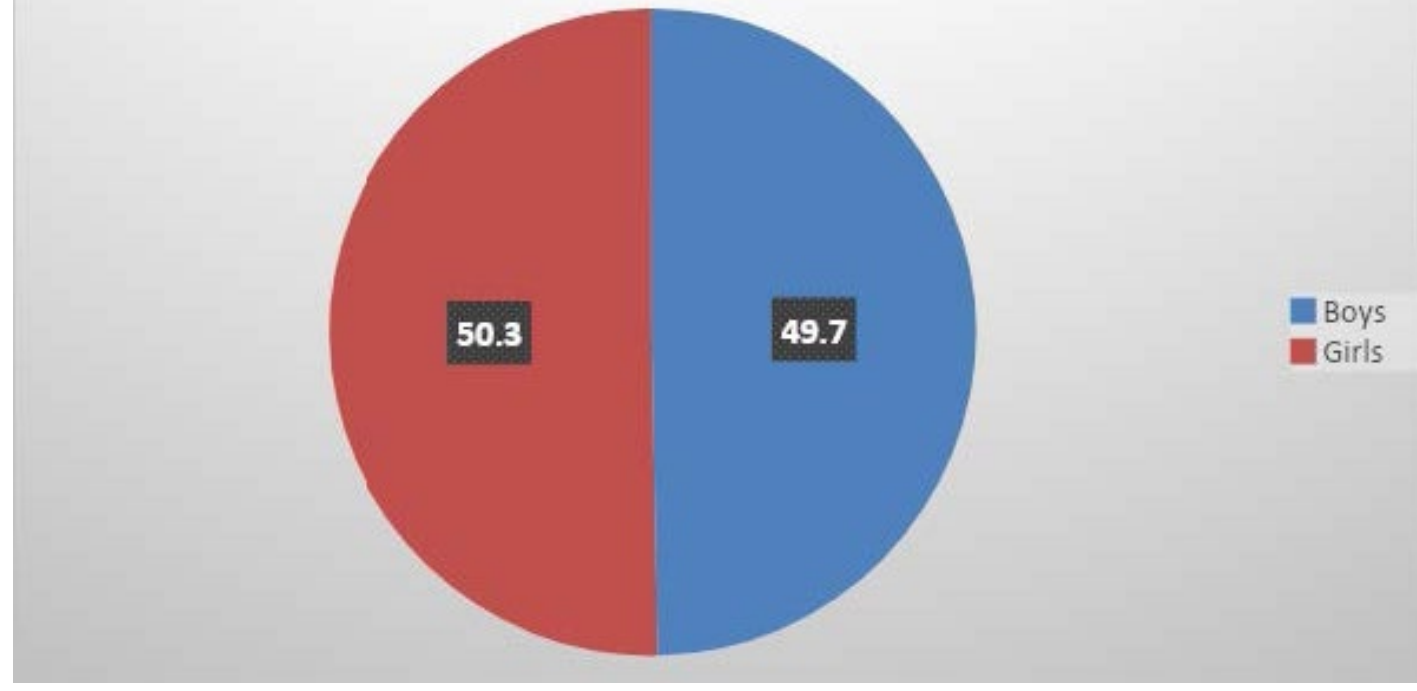

The Child and Youth Care Workers play a vital role in the day-to-day caring, education and emotional well-being of the children.

Community outreach:

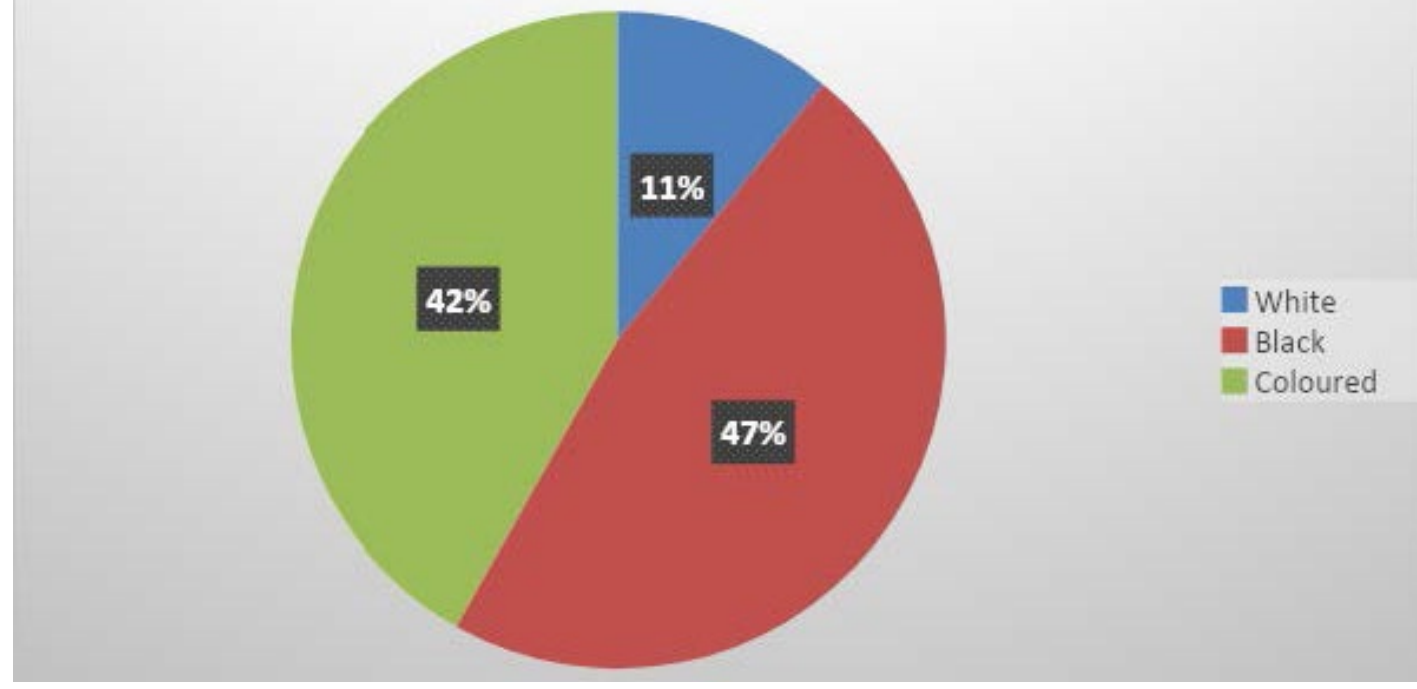

The Child and Youth Care Centre renders services to the community through parental skills training, the empowerment of the community, as well as donating to emerging organizations.

Training:

The social workers received online training in Protective Behaviour and the Children's Act 38 Of 2005.

Programs:

Family Care Services

Cases Dealt with and Interviewed:

During 2021/2022 our social workers dealt with 200 long-term, 120 short-term and 530 single cases.

Through the poverty alleviation program 8551 people were reached. In total, 12 562 individuals' lives were touched through individual therapy, group- and community projects.

A total of 871 interviews, 264 therapeutic sessions with traumatized children, a couple of foster care groups and one parental guidance group were held. 14 Community work projects were launched.

Reports and programs submitted:

A total of 36 external Children's court and other reports were submitted.

Three business plans for funding of the Child Care Program, Family Care and ECD Centre was submitted to the Department of Social Development. All 3 were approved. The money for the ECD was paid out at the end of the financial year and the fourth quarter of the Child Care Program is still outstanding.

Statutory services

86 Families received foster care supervision and nine new children were placed in foster care. During the year, the social workers had to remove three children from the care of their parents because of abuse, neglect, teenage pregnancy, or other reasons. Most of the children were placed with family or in the safety of an industrial school and one was given up for adoption.

Families where sexual abuse, rape, abuse, and negligence were identified

15 Assessments were done, and three children were referred to a forensic social worker for a specialized forensic assessment. The highest number of intakes were due to abuse, neglect and poverty.

Families where relationship problems, marital problems and divorces occurred

A very high intake from families and children that are exposed to the negative impact of dysfunctional relationships and marriages is noted. 27% of the intakes were family related problems. The social workers assisted the families that were exposed to the trauma and gave guidance to single parent families.

School social work:

The social workers are involved in different programs at the school as stipulated in our SLA's. Children with behavioral problems are reported to the social workers, and the social workers held programs on bullying and behavioral modification.

Community work:

Poverty Alleviation Projects:

Food supply to families and homeless people

A total of 1667 food parcels were handed out throughout the year and 70 families received a special Christmas hamper, with the help of the Dutch Reformed Churches in town. Food was handed out daily to individuals who came and asked for food, as well as clothes, blankets, and Bibles.

Clothes and blankets

We assisted 696 underprivileged people from all communities in the provision of clothing and blankets.

Christmas tree and spoil opportunity for foster children

Community members and businesses assisted us in hosting a Christmas party for underprivileged children. 106 Presents were received and was handed out to the children at the Christmas party.

Prevention programs:

Life skills and resilience programs

Numerous Life Skill programmes were presented on days when the food parcels were handed out. During these programmes the focus was on parenting skills and general coping skill.

Early Childhood Development Centre

Caritas Vryburg is proud to have their own Early Childhood Development Centre that was established through funding from the National Lotteries Commission in August 2017. This Centre can accommodate 20 children – mostly disadvantaged. Due to Covid, only 12 children were accommodated during 2021.

Case work:

Early intervention services were delivered to **735** children and adults:

Family preservation:

At Caritas Community Focus Kimberley, we believe all children deserve a thriving family where they are loved and cherished. We believe that all children should be protected, safe, nurtured and cared for. But we know that many children find themselves in need of care and protection. Caritas Kimberley believe that the development and healing of children establishes the best possibility to bring about sustainable changes in communities. In this regard healthy families play a decisive role.

The focus of service rendering is therefore on the relief of poverty, the preservation of families, child protection and psycho-social services for children and families at risk.

The Covid 19 pandemic has disrupted many clients' lives. Many have lost their jobs and are experiencing financial difficulties and food shortages. Caritas Community Focus Kimberley is grateful to have received donations in the form of food parcels. Funds were received from the Solidarity Fund and National Lotteries Commission. All the clients on Caritas' caseload who were experiencing food shortages was assisted with food parcels for the last twelve months. These services provided by Caritas have an impact on customers' functioning by improving their quality of life through support with food parcels.

The Social Workers build meaningful relationships with the clients by being in regular contact with them. They have found effective ways to provide therapeutic services to clients via social media which contributes to effective growth and development. In this manner the parents' skills and knowledge development, in regards with how to ensure optimal development for the children have increased. The children's coping mechanisms are healthier and positive results are shown by regular contact sessions with the children.

Caritas Community Focus Kimberley primarily focuses on the development and strengthening of families and the protection of children. The main challenges reported to the Kimberley Welfare Office were:

- Alcohol and drug abuse of adults and adolescents
- Child neglect
- Family support as a result of Covid 19
- Trauma and loss
- Behavioural challenges of adolescents and children
- Sexual abuse
- Family conflict

Child protection:

Awareness programmes:

Services focused on the early intervention and prevention of family dysfunction and the breakdown of the family system.

Many vulnerable families on Caritas Community Focus Kimberley's caseload's circumstances have become more vulnerable after parents or caretakers lost their jobs or were temporarily laid off due to the lock-down. Many families are still experiencing food shortages. Emergency packages are handed out when crisis arises in the family.

Gender based violence is a significant problem in South Africa. Statistics indicate that violence against women and children has increased alarmingly in South Africa during the Covid 19 pandemic and worldwide. Caritas Community Focus Kimberley has increasingly received parts of domestic violence cases, rape cases of women by their partners and an increase in the sexual abuse of children.

An Awareness campaign was held during July 2021 in the Samaria Shanties/De Beers area. Fifty families (150 persons) were invited to attend the program. During the program 50 food parcels were provided and each person received soup and "vetkoek". The Social Workers distributed flyers that contained information about gender-based violence.

Two workshops were held during September 2021 for 62 teenagers' from Lerato Place of Safety and women from Riverton. The campaign focused on information about gender-based violence.

A Marriage Seminar was held during September 2021 for 20 couples. They learned the five love languages, effective communication, and handling of conflict. The couples enjoyed the seminar as they do not often have the opportunity to be alone.

42 Radio talks were held from May 2021 – March 2022 on Radio Teemaneng. The aim was to help families cope during the Covid 19 pandemic. 50 000 listeners listen to our weekly talk show on Radio Teemaneng. Topics focused on trauma and loss, gender-based violence, protection of children.

Foster care and family reunification

Foster care supervision services were rendered to 131 foster families. The office is experiencing a serious shortage of foster parents for children who must be removed from their parents' care.

The Social Workers supported parents during the Covid19 pandemic by making regular contact with the clients (telephonic and office interviews). The purpose of the discussions was based on how to cope during the Covid-19 pandemic, how to handle stress and how to support your

child. The two social workers compiled 155 statutory reports and attended the Children's Court 77 times.

A Foster Care Seminar took place during February 2022. Ten foster parents attended the seminar. Foster parents were equipped with knowledge about their role and responsibilities as foster parents. Each family was provided with a certificate to show that they were valued.

Poverty alleviation program:

Food parcel program:

The need for food parcels within Caritas Community Focus Kimberley's area of service has increased tremendously, as more and more families are unable to afford the basic food necessities for their families.

113 Food parcels (526 persons) were distributed within the community. On average six additional emergency food parcels were distributed to families in dire need of this. The emergency food parcels are compiled from donations from churches and the community of Kimberley who support this project.

'Caritas Cares' Christmas Parcel Project:

This annual event gave a special gift pack to 100 children in need during December 2021. Churches and the community of Kimberley supported this project through donations.

The Therapy Centre's focus is to accompany adults and children who are influenced by the realities within the community and the associated trauma as well as emotional pain, towards healing and improved functioning. Paid professional services are rendered at the Therapy Centre daily.

The professional services are available to the community to promote healing and entail the services of a forensic social worker and play therapist, as well as a social worker tasked with the development and presentation of programs at schools and businesses. These programs include: bullying, drug and substance dependency, pornography, social media, and parental guidance programs, as well as programs in support of teachers, staff at schools, etc. Professional services are also offered by a counselling psychologist and occupational therapists.

The following services are rendered by the Therapy Centre:

- Emotional assessment of children and teenagers
- Forensic assessment of children (where sexual abuse is suspected)
- Child therapy with children and teenagers
- Attachment therapy between parents and children
- Parental guidance
- Adult assessment and individual therapy (relationships, anxiety, depression, addiction)
- Trauma and dealing with loss
- Marriage counselling
- Divorce mediation, drafting of parental plans and divorce guidance
- Occupational therapy

Assessment and therapy with children

Caritas personnel (two social workers) assisted 148 children and adults through therapy. 731 assessments, play therapy, attachment therapy sessions, parental guidance and adult therapy were rendered. Of these, 17 were forensic assessments that are done when it is suspected that a child was possibly exposed to sexual abuse. From the above 25 underprivileged, traumatized children were assisted by means of the "Give a Child a Chance" fund at no cost. The children were mainly referred by Caritas social work offices and the Child and Youth Care Centre. The fund is dependent on donations from the community.

Employee Assistance Programme and Schools Programme

Businesses and schools are helped on an ad hoc basis with therapy and trauma debriefing.

Caritas Therapy Centre developed a bully awareness programme, "Basta with Bullies". Bullying awareness weeks were held at two primary schools during September 2021 and February 2022. 1100 Grade 1 – 7 children were empowered to deal with bullying behaviour.

A podcast series for churches and schools is distributed weekly via WhatsApp. Different themes are addressed and strengthen ministers' and teachers' knowledge and skills. Themes that were addressed are trauma and loss, emotional intelligence, the bereavement process of children, the first 1000 days in a child's life, and bullying behaviour.

Drought relief programme and emergency number

Caritas Therapy Centre has been involved in the drought relief project of the Dutch Reform Church in Northern Cape. A 24-hour emergency number is available for farmers, their families and farm workers where emotional support is provided. 27 Calls or messages were received. Emotional support and humanitarian aid were provided.

REPORTS: EARLY CHILDHOOD DEVELOPMENT (ECD)

We have 13 Early Childhood Development Centres throughout the Northern Cape and North West Provinces. Our centres are in the poorest, underdeveloped and sometimes remotest areas. Here we help children to develop on cognitive, emotional, and social levels by providing training, support, and assistance.

We make use of the AmazingBrainz programme, as well as the Caritas Kinderland Akademie Programme that takes a holistic, integrated, long-term approach to the development of these areas.

Established Early Childhood Development Centres:

1. Blommeland ECD in Strydenburg - 86 children
2. Kagisho ECD in Jan Kempdorp - 18 children
3. Sonstraaltjie ECD in Marchand - 37 children
4. Zimbi ECD in Niekerkshoop - 30 children
5. Haasdas ECD in Augrabies - 40 children
6. Tjokkershoop ECD in Hopetown - 57 children
7. Ratangthuto ECD in Stella - 33 children
8. Karoo – Druppels ECD in Britstown - 42 children
9. Voetspore van Hoop ECD in Griekwastad - 74 children
10. Renosterberg ECD in Petrusville - 50 children
11. Haasbekkies in Vryburg - 16 children
12. Kaalvoet Akademie in Phillipstown - 45 children
13. Lesedi ECD in Vergelegen - 15 children

A total of 553 children are currently accommodated at Caritas' ECD Centres.

- Kokerboom-Oord Trust– Kakamas
- Huis Silwerhof en Villas Trust – Hopetown
- Rusoord Ouetehuis – Vryburg

We are proud of the Homes for Older Persons which operate under our supervision. All Homes provide accommodation and frail care of the highest quality. The staff is well trained and care for the elderly with compassion.

CARITAS ACCOMMODATION AND CONFERENCE FACILITY

Caritas Community Focus offers the following accommodation:

- 22 luxury rooms
- 8 basic rooms
- 3 conference facilities

The 8 basic rooms are rented out to Netcare personnel.

The luxury accommodation are offered at special rates to rural patients and their families during doctor's visits, out-patient treatment, or hospitalisation. 697 bookings were made at this special rate for the period April 2021 to March 2022. The luxury accommodation offers en-suite bathrooms, air conditioning, coffee and tea facilities, as well as wifi and is also used by private individuals. 1379 bookings for private individuals were made for this accommodation for the period April 2021 to March 2022.

The three fully equipped conference facilities cater for between 5 and 50 persons and 87 events took place at the conference facilities during the period April 2021 to March 2022.
